

**Have a party in your back yard!
Rent our outdoor screen and watch your
favorite movie under the stars.**

This is not one of those noisy blow up screens where the blower noise interferes with your movie enjoyment. This 10' wide screen fits together easily and quickly and comes with nylon lines to stabilize the screen. Rents for \$85.

Pairs perfectly with our **HIGH DEFINITION** projector and Blu-ray DVD player!

Also available for rent are projectors, portable sound systems and DVD players.

**Call today to reserve this equipment for your special event or
send us an email!**
